1981

Per our conversation.

2.

Please note that though paragraph 4 of the memorandum seems to refer only to cryptographic and comsec matters, it should be read in conjunction with the attached comment on section 1-301 of the Executive Order, which clearly refers to signals intelligence activities and communications intelligence information.

13.

14.

15.

Also please note that besides giving compartmentation authority to every department or agency originating intelligence sources and methods information, the NSA proposal would clearly separate signals intelligence from intelligence sources and methods
